I don't know who was working with Larry on this. Can you all ensure someone from HSCD closes the loop with Nancy?

Do you know who was feeding Larry Teller information for the Dimock activities listed on <http://www.epa.gov/aboutepa/states/pa.html>? (Screenshot below.)

We're going to be taking the activities sections off of our states pages because of the maintenance required. (Activities are optional.) Unless someone feeds me updates, I think we should also take Dimock activities off.

Your thoughts? Thanks.
